

CUYAHOGA FALLS-STOW LITTLE LEAGUE NORTH

2016 FILL THE FENCES BANNER PROGRAM

Cuyahoga Falls-Stow Little League North is a 501(c)(3) non-profit organization that is **100% volunteer driven**. Since 1955, we have shared America's favorite pastime with the Little Leaguers of our area. Please help continue this tradition by supporting the 2016 drive to **Fill the Fences** with advertising banners. Funds generated from **Fill the Fences** will pay for upkeep of the fields, the parking lot and other capital improvements at the CFLLN Complex. Each banner can be printed with full color company logos, phone numbers and details about your company. Banners are displayed on the backstops and fences of our ball field complex where nearly 200 Little League players and their families will gather for more than 100 games over the 2016 baseball/softball season. Practices begin in March and games are played 6 days a week from April through June. The late summer months (July-September) include additional tournament games with larger crowds, giving your business even more exposure. Order yours today!
